G-Shot DV505

5 mega pixel pocket-sized camcorder

The latest DV camera from the Genius family is the G-Shot DV505 in a very competitive, pocket-sized unit. The 5.0 Mega Pixel CMOS sensor is great to use for digital video, still camera, and voice recorder features. Take photos and movies with the 4X digital zoom and up to 12 mega pixel by interpolation software can make your photos outstandingly clear.
Just use the toggle switch to select the mode you want to use. G-Shot DV505 only uses four AAA Alkaline batteries and are easy to replace, you don't need to wait and charge the camera. The CD ROM includes Application software to edit movie and photos easily.
For more information about the affordable G-Shot DV505, get in contact with your salesperson promptly!
